DOORS  
The Most Preferred Brand in the Business™

**Step 1:** Clean door with mineral spirits, rinse.

**Step 2:** Rub in stain.

**Step 3:** Seal with top coat, let dry for 48 hours.

LIMITED  
**Five-Year**  
Satisfaction  
Warranty

Therma-Tru's patented Finishing System comes with everything you need to finish a complete door unit with two sidelites or a double door unit. It's also available in a quart or gallon for larger projects.

### Therma-Tru's Easy -to-Use Finishing System is:

- Colorfast – it won't fade, bleach or yellow
- Long-lasting with a gloss that resists chalking
- Water-based environmentally-friendly topcoat
- Easy to use for the professional and do-it-yourself enthusiast
- Easy to make lighter or darker
- Easy to maintain by simply reapplying the topcoat

Please note, colors may vary due to fluctuations in application and due to the length of application time.
